

Ser educado

na

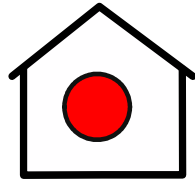

sala de aula

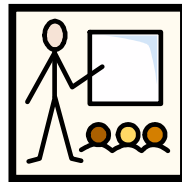

Saber

estar

na

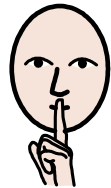

Sala de aula

é:

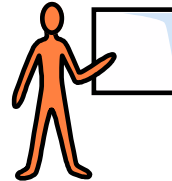

ficar

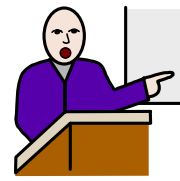

em silêncio

quando

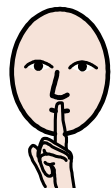

o professor

está a falar

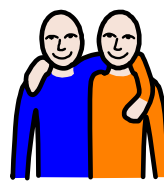

ficar

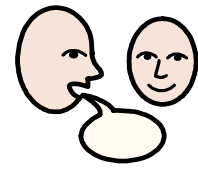

em silêncio

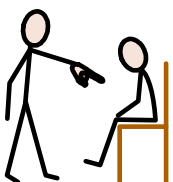

quando

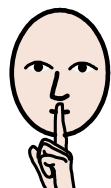

os meus colegas

estão a falar

ficar

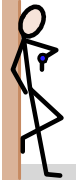

em silêncio

quando

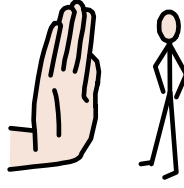

estou a fazer o meu trabalho

esperar

que o professor

pare

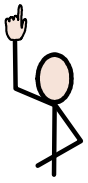

de falar

para

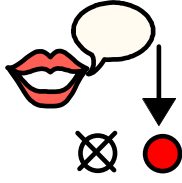

perguntar

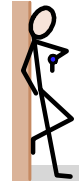

levantar a mão

quando

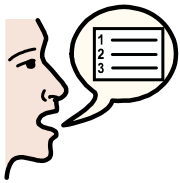

quero falar

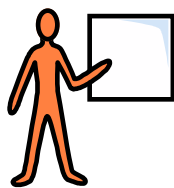

e esperar

pela minha vez

pedir autorização

ao

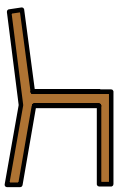

professor

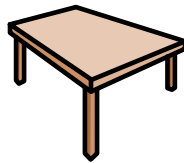

para me levantar

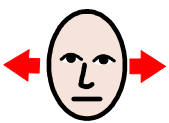

não fazer barulho

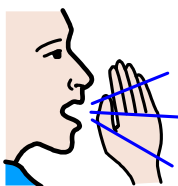

com a cadeira

e com a mesa

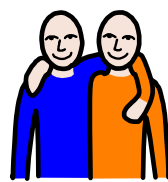

não

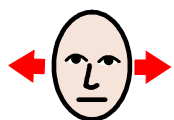

chamar

nomes feios

aos colegas

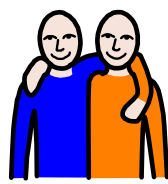

não

atirar

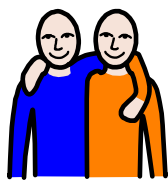

coisas

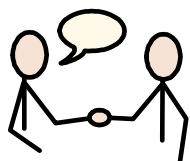

aos colegas

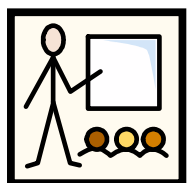

não bater

nos colegas

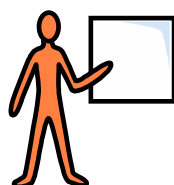

ser educado

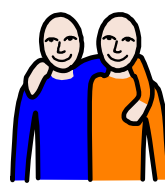

na sala de aula

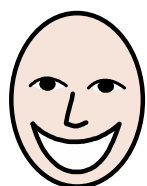

faz

o professor

e os colegas

felizes.
